Victorian Baby Health Centres Association

FIFTEENTH ANNUAL REPORT OF CENTRAL COUNCIL 1932-1933

"Reporters" Print, Box Hill.
AIMS AND OBJECTS OF THE ASSOCIATION

(1) To safeguard the health of mothers and babies, by the spread of knowledge of the laws of health.

(2) To encourage the breast-feeding of infants.

(3) To employ trained nurses, who shall—
   (a) Attend certain centres, where not only mothers with their babies can come, but also expectant mothers.
   (b) Visit mothers at their homes, and help them carry out simple hygienic rules.

(4) To hold meetings and give organised teaching to women, as opportunity shall arise, and to disseminate such knowledge by every available agency.

(5) To co-operate with all present or future organisations working for the same objects.

The objects of the Association being to keep infants healthy, sick children are not treated at Centres, but are always referred to their own doctor, or to a hospital.
Fifteenth Annual Report

Ladies and Gentlemen,—

In presenting the Fifteenth Annual Report, the Council draws attention to the fact that, while its report gives a general survey of the Association's work, each Health Centre publishes its own Annual Report and Balance Sheet, manages its own affairs, and extends the work in its own district.

The Balance Sheet at the end of this pamphlet is for the Central Council and the Training School only.

ADMINISTRATION.

The Council has met every month, and the Executive Committee, consisting of office-bearers, nine members of Council, of whom two at least must be representatives of Municipal Councils and one a member of the British Medical Association, and which is elected annually by the Council to co-ordinate the work, has met at frequent intervals. The finance is controlled by a sub-committee, a Training School Committee, and a medical sub-committee deals with all technical matters in connection with the training of Nurses and the conduct of Baby Health Centres generally.

GENERAL PROGRESS.

The work of the Centres during the year has been very satisfactory. There has been a marked increase in the attendances, and the help and advice given by the Sisters-in-Charge of Centres to the mothers for themselves and for their babies have been much appreciated.

New Sub-Centres have been opened at Brunswick and Birregurra, and others will shortly be opened at Portland and Daylesford.

Mrs. Chisholm, the Hon. Secretary of the Bendigo Centre, reports that the establishment of a Milk Fund has proved of great benefit to the mothers attending the Centre. The Mothers' Club in connection with this Centre is doing splendid work.

The Association had its Centre at the Agricultural Show as usual, where many mothers from the country called for advice from the Sister-in-Charge.

Statistics continue to show a decrease in the infant mortality rate. The death rate of infants under one year of age per 1000 births has fallen from 73.8 in 1915 to 43 in 1932. For the first six months of 1933 the death rate of infants under one year of age per 1000 births is 37.3.

TRAINING SCHOOL AND MOTHERCRAFT HOME.

The work of the Training School is progressing very satisfactorily.

During the year 286 individual babies attended the Centre at the Training School. Total attendances numbered 2116; visits to homes, 427; lectures given, 480; and class demonstrations, 440. Four hundred and thirty-one letters were received and answered.

Admissions to the Residential part of the Training School numbered 50. Of these, 17 were mothers with their babies for re-establishment of breast milk and 11 premature babies. The remainder were artificially fed babies.

Twenty-two Sisters have received their Mothercraft and Infant Welfare training during the year at the Training School. Four Sisters of the Association have taken the Refresher Course in Mothercraft and Infant Welfare.

The Sisters-in-Charge of Centres attend at the Training School on the third Saturday in each month, where a lecture is given by the Association's Medical Officer, Dr. Kate Campbell.

Medical Students have attended at the Training School for lectures and demonstrations in Infant Welfare, given by Dr. K. Campbell and Matron Kerville.

The Director of Education has again kindly made arrangements for a course of instruction in public speaking to be given to the trainees of the Association. The co-operation of the Education Department in this connection is very much appreciated. The Council desires to thank Miss McCopin, who is in charge of the classes, for the valuable services she has rendered.

During the year two Bridge Parties have been organised by Matron Kerville and the Assistant Matron, Miss A. Sage, and were very successful. With the proceeds a supply of linen was purchased for the Mothercraft Home.

Thanks are due to Miss Kerville for the very efficient manner in which she has carried out her duties as Matron of the Training School, and to Sister Sage, who has so ably assisted her.

The Council wishes to thank Miss Rhoda Strachan, Hon. Organiser of the Voluntary Aid Detachment, for her
MUNICIPALITIES.

The splendid co-operation of the Municipalities is very much appreciated by the Association. They are always most keenly interested in the work, and do all in their power to forward the movement. They have erected many fine buildings for Centres. The Councillors individually show their interest in the work, and are always ready to assist in every possible way.

NEWSPAPER DEPOT.

The work of the Newspaper Depot is progressing, but difficulty in obtaining supplies of paper is still being experienced.

The Council desires to thank those who have so kindly saved papers for the Association in the past, and hope they will continue to help in this way.

Students of the Emily MacPherson College are making a collection of papers every week at the College, which is of great assistance.

The Council thanks the Trustees of the Newspaper Depot, Mrs. J. H. Dodds and Cr. J. A. Grant, for their great interest and assistance.

FINANCE.

The Council desires to thank the Trustees of the Edward Wilson Estate, Alfred Fenton Estate, H. V. McKay Trust, the Walter and Eliza Hall Trust, David Syme Charitable Trust, Alfred Edments Trust, Helen Gyles Turner Samaritan Fund, T. J. Sumner Trust, C. L. Forrest Trust, Kew City Council, St. Kilda City Council and E. Truby Williams, Esq., for their generous donations, which have been of the greatest assistance to the work.

The Council wishes to thank the Hon. Solicitors, Messrs. Moule, Hamilton and Derham, for their valuable assistance, and the Melbourne Tramways Board for allowing tickets to be purchased for the Sisters whilst on duty at a reduced rate.

The sincere thanks of the Association are due to Mr. W. F. Kerr, City Engineer, Box Hill, and Mr. F. Rudolph, Engineer, Women's Hospital, Carlton, for their valuable help and advice in connection with alterations to the Hot Water System at the Training School. The Council is very grateful to them for the assistance they have so willingly given.

In conclusion, the Council desires to thank the Sisters-in-Charge of Centres for loyal services rendered, especially in this time of depression, when they have voluntarily undertaken a great many additional duties to help the mothers and babies.

LILLIAS M. SKENE,

ELLA M. BOYLAND,

Joint Hon. Secretaries.
