## Aims and Objects of the Association

---

- (1) To safeguard the health of mothers and babies.
  - (2) To encourage the breast-feeding of infants.
  - (3) To train double certificated Nurses in Mothercraft and Infant Welfare.
  - (4) To employ these trained Nurses, who shall—
    - (a) Attend certain Centres, where not only mothers with their babies can come, but also expectant mothers.
    - (b) Visit mothers at their homes, and help them carry out simple hygienic rules.
  - (5) To hold meetings and give organised teaching to women, as opportunity shall arise, and to disseminate such knowledge by every available agency.
  - (6) To co-operate with all present or future organisations working for the same objects.
- 

The object of the Association being to keep infants healthy, sick children are not treated at Centres, but are always referred to their own doctor or to a hospital.

## VICTORIAN BABY HEALTH CENTRES ASSOCIATION INCORPORATED (CENTRAL COUNCIL)

### FORTIETH ANNUAL REPORT

Ladies and Gentlemen,

In presenting the Fortieth Annual Report the Council draws attention to the fact that, while its report gives a general survey of the Association's work, each Health Centre publishes its own Annual Report and Balance Sheet, manages its own affairs, and extends the work in its own district, the Association acting as a co-ordinating link between the various Centres.

The Balance Sheet at the end of this Report relates only to the Central Council, The Queen Elizabeth Hospital for Mothers and Babies, and Travelling Baby Health Centre.

### ADMINISTRATION

The Council has met every month. The Executive Committee consists of the office-bearers and twenty (20) members of the Council of whom two at least must be representatives of Municipal Councils, two at least representatives of country centres, and one a member of the British Medical Association, and is elected by the Council at the first meeting after the Annual Meeting.

This Committee which co-ordinates the work has met every month.

The Queen Elizabeth Hospital Committee, and a Medical Sub-Committee, deal with all technical matters in connection with the training of the Nurses, and the conduct of the Hospital and its Baby Health Centre.

Finance is dealt with by a separate Sub-Committee.

### HONOURS

The Council records its pleasure that one of its Vice-Presidents, Mrs. W. Kernot, was awarded the M.B.E. by Her Majesty the Queen in the New Year's Honours List.

For 35 years Mrs. Kernot has been President of the Geelong Baby Health Centre Committee, and has been associated with the Baby Health Centre Movement since its inception in that district, and has done much to further this work in the Geelong district.

The Council regrets Mrs. Kernot's resignation as President of the Geelong Baby Health Centre Committee, but appreciates that she continues to be a member of that Committee.

The Council also records its pleasure that another member of its Executive Committee, Mrs. R. T. Breen, was awarded the O.B.E. in the New Year's Honours List. Mrs. Breen has represented the Association on the National Council of Women for some years, and was President of the National Council of Women in Victoria for three years.

## GENERAL PROGRESS

The Association, as the major Voluntary Infant Welfare Organisation in the State of Victoria, continues its work of establishing new Baby Health Centres and extending the scope of existing ones.

The Association also continues its interest in promoting legislative reform necessary for safeguarding the health of women and children, and stresses the definite need for increased funds for the development of all maternal and child welfare work, with its valuable objectives of saving infant life, the prevention of ill-health amongst young children and encouraging mothers to have, and rear, the healthy children so much needed by the nation.

The Association, as a representative organisation, affords the vital link-up of municipal and public interest in infant welfare work throughout the State that is so essential to the movement and its progress.

The Council of the Association is formed of representatives from the Municipal and Shire Councils, their Baby Health Centre Committees, and from other kindred societies interested in the welfare of women and children, and actively concerned with its actual promotion. Unity is strength, and such a link-up with a central organisation gives strength to this movement, since it creates the organised public opinion and interest that all progressive movements need in a democratic community.

Many Councils and Baby Health Centre Committees are interested and effective in promoting infant welfare work in their own districts, but it is only when they are linked up by representation in this Association that they can combine to form the necessary public opinion for promoting all measures for safeguarding the health of the mothers and babies, and their sphere of influence in this work is widened by contact with others similarly engaged.

One trusts that as the Baby Health Centre movement develops in this State, and Commonwealth as a whole, that nothing will be allowed to militate against the strength and unity of the Voluntary Infant Welfare Organisations, which have been responsible, not only for playing the vital part of pioneering this movement, but in maintaining its general progressiveness during the many years of its development, facts which are frequently forgotten.

The tremendous value to this movement of the work and interest of the Ladies' Baby Health Centre Committees formed to assist Councils in the domestic management of their Centres cannot be too strongly stressed.

Not only has the work of these committees been responsible in the first place for the establishment of the Centres in their district, and for stimulating the interests of their Councils in the project but they have been largely responsible for the subsequent development of the work, and for obtaining for the sister the necessary equipment, and facilities for her work.

The best results in Centre work and their general running eventuates when Councils have such Ladies' Committees with whom they work in close co-operation.

## THE YEAR'S ACTIVITIES

There are now 381 Centres affiliated with the Association.

New Centres have been established at Bonnie Doon and Mirimbah (Mansfield district), Dergholm, Kilsyth, Woodhouse Grove (Box Hill), Oak Park (Broadmeadows), Alamein (Camberwell), Buangor, Corio (Hendy St.), Cowwarr, Elmhurst, McLeod and Maroona.

New buildings have been officially opened at Alamein (Camberwell), Skipton, Cranbourne, Stawell, Sebastopol, Golden Square (Bendigo), McLeod (Heidelberg) and Upper Fern Tree Gully.

The Annual Conference of Presidents and Secretaries of Baby Health Centres and delegates to the Association's Central Council was held at the Queen Elizabeth Hospital for Mothers and Babies on Friday, June 20th, 1958. There were approximately 120 delegates present, including a number of Municipal Councillors representing their Councils. Many country Centres sent delegates.

The Hon. Secretary, Dr. Doris Officer, visited the following districts to visit Centres, attend Annual Meetings, give talks, or for the opening of new Centre buildings: Malvern (Chadstone Centre), Box Hill, Camberwell, Richmond, Upper Fern Tree Gully, Emerald, The Basin, Belgrave, Geelong, Sandringham, Clyde, Caulfield, Donald, Cranbourne, Castlemaine, Ouyen, Ballarat, Heidelberg, Leitchville, Sebastopol and Kerang.

The Hon. Secretary, Dr. Doris Officer, was invited to be Guest Speaker at the 86th Annual Meeting of the Swan Hill District Hospital, and at the 6th Annual Conference of the Probation Officers' Association of Victoria, at which "Delinquency and Preventive Factors" was discussed. She was invited to speak on "Those Early Years."

A talk on the work of the Queen Elizabeth Hospital for Mothers and Babies was televised, through the courtesy of the "Women's Weekly," over Channel 7, by Dr. Officer, and slides illustrating the work of the Hospital were shown during the session.

The Honorary Secretary represents the Association on the Executive Committee and Council of the Children's Welfare Association, the Council of the National Council of Women of Victoria, and on the Victorian Council for Infant Welfare and/or Mothercraft Training Schools, and acts as Honorary Secretary for this Council.

## WORK OF THE BABY HEALTH CENTRES

The work being carried out by the Baby Health Centres continues to increase and more demands than ever are being made on the Sisters' time and services to the community. This fact is becoming increasingly recognised by Councils and their Committees, and consequently additional Infant Welfare Sisters are being appointed to their Centres to cope with the extra work.

Many Councils are also providing better transport facilities for their Sisters to help them to attend new Sub-Centres and to assist the mothers in their homes. This will conserve the Sisters' valuable time for the actual work of advising mothers, instead of much of it being wasted through inconvenient methods of transport.

The Baby Health Centre movement provides the most extensive system of parent education at very reasonable cost to the community. Of all services provided for the mothers it is one that comes most intimately in contact with them, both through the mothers' regular attendances at the Centres and by the extensive system of home visiting, which is part of the Sisters' work.

Advice at the Centres covers that given to expectant mothers, and the baby from 0·5 years of age, (i.e., up to school age).

The work carried out at the Centres by the Sisters is not only invaluable in its preservation of precious infant life and its prevention of avoidable illness, but it helps the mother in the establishment of sound family life, which is the only foundation for national happiness and security, and its promotion the only real remedy for the industrial unrest and social problems present in the community.

**Dental Examinations.**—The need for the extension of dental examination and treatment for children attending Centres is urgent, especially in country districts.

Colac provides dental inspection for the children attending the Centre. This has been in operation for some years, and has been possible through the co-operation and help of the local dentists. Other country towns could well follow this lead.

Melbourne, South Melbourne, Prahran, and Essendon City Councils have established pre-school dental clinics in their districts in connection with their infant welfare centres, and other Councils we hope will develop similar services.

**Ante-Natal Care.**—Care of the Expectant Mother and advice to her on all points of general hygiene and diet has always been a feature of Baby Health Centre work. Extension of such care has been carried out of recent years by the establishment of ante-natal clinics in connection with Baby Health Centres under special medical supervision.

Such clinics have been established in many Municipalities.

An extension of this work is particularly desirable since it saves the mother both time and fatigue in travelling and the overcrowding of the ante-natal clinics at the hospitals, with whom the Centre ante-natal clinics work in close co-operation.

**Pre-School Facilities.**—Many new Baby Health Centres incorporate in their plans provision for indoor and outdoor playing spaces for toddlers. Suitable toys and equipment also provide demonstrations to parents of what is required for the development of children at different age levels.

Some Baby Health Centres are combining Pre-School facilities in conjunction with their centre buildings.

**Parent Clubs.**—Parent Clubs have been established in connection with some Baby Health Centres. Such clubs are primarily educational in object, and form a valuable means of furthering the knowledge of parents in all matters connected with the upbringing of their children.

It is hoped that other Councils and their Committees will consider the establishment of Parent Clubs, or the arrangement of special lectures for parents.

**Libraries.**—Many Centres are incorporating libraries of suitable books for the use of the mothers; a lead that other Centres could follow with advantage. Lists of suitable books and where to obtain them may be had on application to the Head Office of the Association.

**Immunisation and Vaccination.**—Councils continue to carry out immunising against diphtheria for children attending the Centre or living in their districts. Vaccination against smallpox and immunisation against diphtheria and whooping cough are safeguards to the children's health which the Sisters-in-Charge of Centres should encourage all their mothers to have carried out.

Councils are now including inoculation against tetanus in their routine preventive inoculations to children, and immunisation of children against polio-myelitis.

## PROBLEMS AFFECTING MOTHERS

**Municipal Home Help Schemes.**—The Councils who have established Home Help Schemes in their districts are making a valuable contribution to the health of women and children.

To relieve the constant dread which hangs over the mother of a young family, as to who will care for the children should she fall ill, or even during her confinement, we need a much greater extension of all existing Home Help Schemes.

Good "Personnel" for staffing "Home Help" services is our prime necessity, and many more of such personnel.

## INFANT MORTALITY RATE

Vital Statistics for 1957 show that the infant mortality rate for Victoria is now 20 per 1000 live births. This is a slight rise on last year's figures of 19.3 per 1,000 live births. The rate for the Melbourne Metropolitan area was 19 per 1,000 live births.

## "BABY HEALTH" QUARTERLY MAGAZINE

The Association has continued the production of this Magazine during the year.

The magazine has now been in production for over ten years, and favourable comments are constantly being received in regard to it from readers in Victoria, in other Australian States, and from overseas readers.

The Association values the interest of the firms, who support the production of the magazine by the insertion of advertisements. The Council is grateful to all its regular subscribers and those Committees who guarantee to sell a certain number of copies each issue.

An increase in the number of regular subscribers would be welcomed, as this ensures the financial stability of the Magazine.

## VOLUNTARY HELPERS

The Council thanks the Voluntary Helpers of the many Baby Health Centres for the regular time they give each week to help the Sisters-in-Charge of Centres. This help is very greatly appreciated; it would be extremely difficult for the Sisters-in-Charge of busy Centres to give adequate time in advising mothers without this assistance of weighing the babes and carrying out other helpful Centre duties.

## THE QUEEN ELIZABETH HOSPITAL FOR MOTHERS AND BABIES

The year has been a particularly busy one. Since moving to our present building it has been possible to double our former training functions in Infant Welfare and Mothercraft and to almost quadruple the residential care given to Nursing Mothers, and to the many delicate frail little infants, including premature ones, who are referred to this institution from all parts of the State.

## ADMISSIONS TO THE NURSING MOTHERS' WING AND INFANTS' HOSPITAL

Breast-fed Babies .....	169
Artificially-fed Babies .....	185
Premature Babies .....	50
Mothers .....	258

A total of 662 mothers and babies admitted during the year.

**Nursing Mothers' Wing.**—In this wing mothers not only receive help if experiencing difficulty with natural feeding, but are taught the care and management of their infants.

Many mothers are transferred to the Queen Elizabeth Hospital for Mothers and Babies for extra rest and care from the Maternity Hospitals. All mothers that have been in residence have expressed their appreciation of the wonderful help given to them, and their delight that there is such a place for them to come to for rest, care and alleviation of their difficulties.

Highly successful results with breast feeding are being achieved through the work of this section of the institution.

**Infants' Hospital Section.**—In this section skilled attention is being given to premature, frail and delicate babies—little babies who would rapidly go downhill if they did not receive this expert care often required for long periods. They leave the hospital as bright, bonny babies with a firm hold on life.

**Training Functions.**—Training of Baby Health Centre Sisters and Mothercraft Nurses is an important work of the Queen Elizabeth Hospital for Mothers and Babies. These highly trained Nurses take skilled advice to countless mothers all over the State.

**Infant Welfare Trainees.** — Thirty-four (34) Sisters were trained in Infant Welfare during the year. A total of 995 Infant Welfare Sisters have been trained by the Association since the inception of the Movement in Victoria.

Seven (7) Infant Welfare Sisters have been given Special Refresher Courses in Infant Welfare during the year.

The following prizes have been awarded during the year—

**"The Sir Herbert & Lady Olney"** prizes given to the trainees in each term considered most suitable for Baby Health Centre work:—

First Term — Sister Patricia Love.

Second Term — Sister Irene Winifred Short.

Third Term — Sister Joan Elizabeth Sharp.

**The "Margaret White" Prize** awarded to the trainee considered best in the year has been awarded to Sister Sharp.

The Council is grateful to the donors of these prizes and congratulates the winners on their success.

Twenty-seven (27) Medical Students attended during the year for special lectures and demonstrations in Infant Feeding and Management.

Eight (8) Mothercraft trainees are in residence for the fifteen months' course in Mothercraft.

Seven (7) Mothercraft Nurses completed their training during the year.

Dr. Kate Campbell continues her work as Senior Medical Officer to the Queen Elizabeth Hospital.

Dr. Elizabeth Turner continues her work of lecturing to the Infant Welfare and Mothercraft trainees.

Dr. Ruth Walker looks after the mothers and babies in the Nursing Mothers' Wing, and Dr. Margery Wadds conducts a weekly clinic to trainees in the Baby Health Centre, and is also Assistant Paediatrician to the Hospital.

Dr. Winifred Kennan continued her lectures on "Ante-Natal Care" to Infant Welfare trainees during the year.

Dr. Winifred Kennan, however, has recently resigned from her position as "Ante-Natal Care" Lecturer, and the Council records her many years' service to the Hospital. The time she has given to this work has been greatly valued. Dr. Marcia Robinson has been appointed Lecturer in place of Dr. Kennan.

Dr. T. Seward continues his monthly lectures on "Preventive Dentistry" to the trainees, and to the Mothers in residence or attending the Baby Health Centre.

Special lectures on the Pre-School Child are given by Miss Stubbs of the Public Health Department, and visits to the "Lady Gowrie Centre" are paid by the trainees.

Nursing lectures and demonstrations are carried out by the Matron and her Nursing Staff.

Dr. Doris Officer continues to give the lectures on "Public Speaking" to the trainees.

The Council appreciates the work carried out by the Medical Officers and Lecturers, and the time they devote to this work.

The Council very much values the excellent manner in which the Matron, Miss E. M. Buxton, the Assistant Matron, Miss G. Stott, and the Nursing Staff carry out the work of the hospital, and all that they do to ensure its smooth running. Letters from the mothers constantly express their appreciation of all that is done for them and their babies.

The Council expresses its appreciation to all members of the domestic staff for their loyal and efficient work during the year. The smooth running of this side of the institution is so important for the successful work of the Queen Elizabeth Hospital.

The Annual Reunion of Sisters in Charge of Centres and past trainees of the Association was held in December, 1957, at the "Queen Elizabeth Hospital for Mothers and Babies."

The Council records its appreciation of the work during the year of its Honorary Medical Officers to the Staff of the Hospital,

Dr. Claire Cribble and Dr. Helen Byrne. The time they give to this work is greatly valued.

The Council records particularly its very warm thanks to the members of the Melbourne Junior Chamber of Commerce, who put in several week-ends of hard work to put the Hospital grounds in order.

Improvements to the garden and grounds have been maintained by the appointment of Miss Newton to look after them—and she has put a lot of hard work into this.

Special visitors to the Hospital during the year have been Sister Billings from Manchester, and Dr. Lin from Korea, and Dr. Helen Mayo, C.B.E., of Adelaide.

### QUEEN ELIZABETH BABY HEALTH CENTRE

This Centre gives daily advice to many mothers living in the vicinity, and visits are also paid to the homes of the mothers.

Sister Crick advises mothers attending at the Queen Elizabeth Baby Health Centre.

The Sister in charge, Sister Crick, is not only responsible for the routine running of the Centre itself, but also for the practical training of the Infant Welfare Trainees in Centre work. The Council is grateful to Sister Crick for her excellent work in this connection during the year.

## CENTRE ATTENDANCES

Total attendances for the year .....	4,421

### BUSINESS MEN'S COMMITTEE OF THE QUEEN ELIZABETH HOSPITAL FOR MOTHERS AND BABIES.

The Council greatly appreciates the support afforded the Association's work by the members of the Business Men's Committee, under the Chairmanship of Mr. W. Howard.

This Committee has continued its good work of raising funds for the maintenance and development of the work of the Queen Elizabeth Hospital for Mothers and Babies.

The Council is deeply grateful to the Directors of the Myer Emporium for again sponsoring the Doll Pageant this year in conjunction with the Business Men's Committee.

Mrs. I. L. Weber was appointed Organiser by this Committee during the year, and was responsible for the successful organising of the Doll Pageant.

During the year the Business Men's Committee contributed £1,500 to the Hospital funds.

The Council congratulates and extends its warm thanks to the Business Men's Committee for its splendid work during the year—and for the very material benefits that their activities have brought to the Hospital funds.

### AUXILIARIES

#### Queen Elizabeth Hospital Surrey Hills Auxiliary:

The Council is very appreciative of the continued help given by this Auxiliary to the Hospital during the year.

Not only does this Auxiliary contribute many gifts of baby clothes to the Queen Elizabeth Hospital during the year, but has

raised substantial sums for the purchase of special equipment for the Hospital, and has been instrumental in re-furnishing the Baby Health Centre attached to the Hospital.

During the year this Auxiliary forwarded cheques for £60 and £7/16/- to the Association for this purpose.

**Blackburn Branch L.C.P. (Women's Section):**

The Council has appreciated the continued interest of members of the Blackburn Branch L.C.P. (Women's Section), in the work of the Queen Elizabeth Hospital. During the year a Street Stall was held, and the sum of £25/3/6 sent to the Association for the purchase of badly needed new cot mattresses.

The Council expresses its appreciation and thanks for these efforts.

**THE ISABELLA YOUNGER ROSS MEMORIAL APPEAL**

Funds to assist this Appeal have continued to be received during the year.

Members of the Executive Committee have visited various new halls to gain ideas in regard to the planning of the Isabella Younger Ross Memorial Hall.

The Committee is now consulting with Mr. Armstrong, Chief Architect of the Hospitals and Charities Commission in regard to the detailed planning of the Hall.

The Council of the Association very greatly appreciated advice from Dr. Lindell, Chairman of the Hospitals and Charities Commission, that the Commission has approved of a Government subsidy towards the cost of this building, and the building of the Hall will commence as soon as the plans have been approved.

**TRAVELLING BABY HEALTH CENTRE  
(WALPEUP SHIRE)**

This service has been on the road 22 years, and was the pioneer Travelling Baby Health Service in Australia.

A successful year's work is reported.

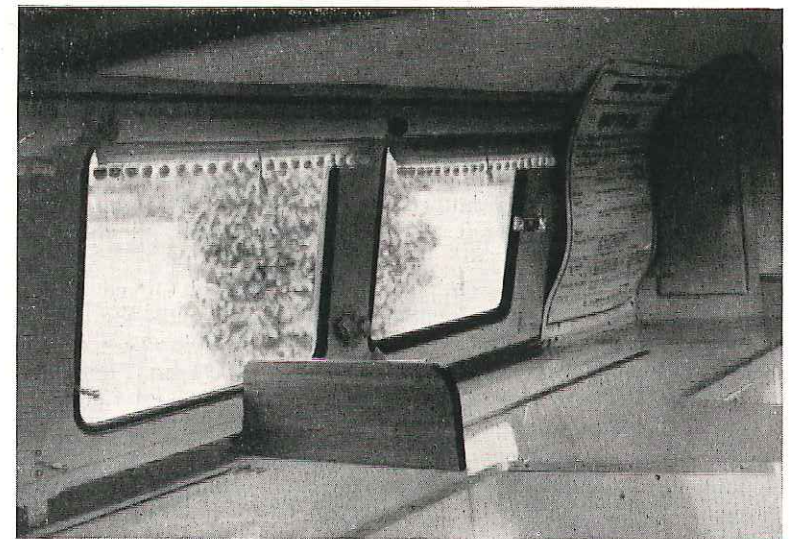

**ATTENDANCES FOR THE YEAR**

New entries on roll .....	257
Individual babies (under 2 years) .....	453
Individual children (over 2 years) .....	37
Total number of individual babies and children .....	490
Total attendances numbered .....	3,059
Total attendances babies (under 2 years) .....	2,944
Total attendances children (over 2 years) .....	55
Callers up to 6 years .....	60
Number of consultations expectant mothers .....	12
Telephone consultations .....	3
Visits to homes .....	157

Attendances have been good during the year and the health of the mothers and babies attending has been good, though from time to time minor sicknesses were reported.

The Council pays a warm tribute to Sister Nixon for the magnificent work she has carried out for the mothers and babies during the year in the districts served.

The new "Volkswagen Kombi bus," specially adapted for clinic-ing in to the mothers, and placed on the road last year, continued to serve the Karkaroc and Walpeup Shire up to mid-November last year. The Karkaroc Shire then took over its own Service, and the Volkswagen Travelling Centre was utilised to serve the whole of the Walpeup Shire with a weekly, instead of a fortnightly service as formerly given.

The new vehicle continues to give good service in this Shire, and Sister Nixon reports it as admirably designed and equipped for its work.

The Hon. Secretary, Dr. Doris Officer, visited Ouyen during the year to see the vehicle in operation, and to discuss the service with the Walpeup Shire Council the future development of the Service. She also attended a meeting of the Ouyen Pre-School and Infant Welfare Committee recently formed to raise funds for a special building in Ouyen for Infant Welfare and Pre-School work.

Owing to the large number of mothers attending in Ouyen, clinic-ing is now done in the Ouyen Rest Room, instead of in the Kombi bus.

#### SWAN HILL MOBILE UNIT

Swan Hill Mobile Unit, with Sister B. J. Kemp in charge, continues to service the Swan Hill Shire, bringing advice to Mothers and Babies at Moorinen South, Lake Boga, Nyah, Manangatang, Chillingollah, Chinkapook, Nyah West, Piangel and Robinvale. The Sister's headquarters being at Manangatang.

#### LECTURING SISTER

The past year for Mothercraft Lecturing has proved most successful. The interest and enthusiasm in all schools continues, and many schools have expressed the desire to add Mothercraft Lecturing to their curriculum. Where possible this has been attended to, and to the scheduled list has been added "Methodist Ladies College" (Elsternwick Branch), and "Ruyton Girls' School."

"MacRobertson High School" and "Convent of Mercy," Fitzroy, have resumed classes after a break.

The standard of the Project Books exhibited has been very high—the Annual Award for the outstanding book of the year was made to **Kaye Daniels** of **Fintona Girls' School**. This school presents a uniformly high standard of Project Books—an outstanding contribution.

The keen interest taken in the course not only by the pupils, but also by the Staffs of the Schools is very pleasing, and expressions of appreciation are received each term by Heads and pupils. This makes lecturing very gratifying.

Another rewarding feature is the number of pupils manifesting an interest in taking up nursing, either General, or Mothercraft work. It is felt that, if interest is aroused, information can be given, and this leads very often to a girl's decision as to the career she is going to follow. An increase of interest in applying for Nursing Bursaries by the Heads of the Schools has been reported as a result.

Films from the State Film Centre, excursions to Health Centres and to Mothercraft Training Hospitals have added to the enjoyment of the course.

A word of thanks to the Matrons, and to the Health Centre Sisters, for their co-operation and help in this respect.

During the past year 47 schools were visited.

A total of 2,595 girls received tuition in Mothercraft.

Certificates gained .....	2,238
Pass .....	264
Fail .....	93

The following Schools were visited:—

**Colleges of Domestic Economy —**  
Emily McPherson, J. H. Boyd.

**Convents —**  
F.J.C. Vacluse, Richmond.  
St. Columba's College, Essendon.  
St. Margaret Mary's, Brunswick.

**Church of England Girls' Grammar Schools —**  
Firbank, Fintona, Camberwell, Shelford, Ivanhoe.

**Methodist Ladies' College—Hawthorn and Elsternwick Branch.**

**Stratherne Girls' Presbyterian School.**

**Ruyton Girls' School.**

**Central Schools —**

Auburn	Middle Park
East Kew	Mont Albert
East Malvern	Moonee Ponds
Gardiner	Toorak
Hawthorn West	Westgarth

**Girls' Secondary Schools —**

Brunswick	Footscray
Camberwell	Malvern
Collingwood	Preston
Flemington	Richmond
Fitzroy	Williamstown

**High Schools —**

Coburg	Ringwood
Essendon	Nunawading
Fitzroy	University

**State Schools —**  
Northcote Modern Glenferrie

**Technical Schools —**  
Box Hill Brighton Swinburne Preston.

The Council very much values Sister Fryer's work as Lecturing Sister.

The Council of the Association pioneered the giving of Mothercraft Lectures to Schools in 1920, and has carried on this work ever since with a full-time Sister. The Service is financed from the Voluntary Funds of the Association.

### LECTURES IN MOTHERCRAFT — COUNTRY DISTRICTS

In addition to the Lectures in Mothercraft supplied to Schools in the Metropolitan area, many Sisters in Charge of Baby Health Centres in the country have given lectures in their districts to senior school girls.

Country areas where such lectures have been given are Beaufort, Moe, Branxholme, Warracknabeal, Casterton, Colac, Drouin, Daylesford, Echuca, Redcliffs, Manangatang, Wonthaggi, Geelong, Cororooke, Coleraine, Dartmoor, Heywood, Berwick, Euroa, Timboon, Maryborough and Portland.

The Association congratulates these Sisters on carrying out this splendid educational work in addition to their routine Centre work.

### STATE GOVERNMENT

The Government subsidy now paid to Municipalities with Baby Health Centres amounts to £600 per annum for each full-time Sister employed, and proportionately for each part-time Sister.

The subsidy towards the erection of Baby Health Centre buildings is helpful and encouraging to local effort in raising funds for such buildings. The subsidy is now on a 2-1 basis up to £3,000.

The Council values the Government's continuance of the special grants to its Queen Elizabeth Mothercraft and Infant Welfare Training School. In view of increased costs occasioned by rises in salary rates and award conditions, over which the Committees responsible for running such institutions have no control, a much higher rate of subsidy is imperative if these institutions are to continue to function with any measure of freedom from financial anxiety. These grants have not been increased since 1946.

The subsidy towards purchase of cars for Sisters in country districts, and the allotment of a grant towards their maintenance and depreciation is a very valuable contribution towards the success of Baby Health Centre work.

The Council appreciates the Government's interest in the Travelling Baby Health Centre service, and the subsidy allotted to assist its maintenance. This has been on the basis of half the salary for full-time Sisters appointed to this work. All other expenses are borne by the Association from funds voluntarily made available for the purpose.

### MUNICIPAL AND SHIRE COUNCILS

Municipal and Shire Councils continue to take an active interest in the Centres and in the extension of this Service in their districts. The Councils have been responsible for the erection of many fine buildings. Further ones are contemplated in many districts as soon as funds and the Government subsidy are available. Councils are frequently helped by funds raised by their Baby Health Centre Committees in erecting their buildings, and many Committees have quite large sums in hand for this purpose, **and the Association's Central Council has assisted many Committees with grants towards the equipment of new centres, or for extending the work in existing ones.**

Councils bear all the maintenance costs of their Centres, and the cost of the Sister's salary, aided by the Government subsidy of £600 for each full-time Sister employed, or proportionately for those employed part-time. The award rate for Infant Welfare Sisters is now £17/9/-, with an additional payment of 15/- per week if required to use any certificate or certificates other than a General Nursing Certificate.

A uniform allowance of 4/6 per week is also payable under the award.

Some Councils provide cars for their Sisters' use in visiting and travelling between sub-Centres, or give a "car allowance" if a Sister uses her own car for her work.

In many country districts, especially those unserved or sparsely served by train or bus services, a car is a necessity for the Sister to facilitate her transport from one Centre to another to carry on her work in part-time Centres, or to save her time when visiting the mothers in their homes.

The Council is grateful to those Municipal Councils who support the work of the Queen Elizabeth Hospital for Mothers and Babies with regular donations each year.

### WASTE PAPER

The Association has continued to benefit each month by contributions received from the sale of Waste Paper, the collection of waste paper being carried out by the Hospitals and Charities Waste Paper Appeal Committee.

The Association asks all those interested in helping its work to collect paper and make it available to the "Hospitals and Charities Waste Paper Appeal," in which the Association shares.

During the year the Hon. Secretary of the Association, Dr. Doris Officer, has continued as Chairman of the Hospital and Charities Waste Paper Appeal Committee.

### FINANCE

The Council desires to thank all those who have so generously contributed financial support for its many Maternal and Child Welfare activities during the year. These donations have been of great benefit to the Association's work.

The Council specially thanks the Alfred Edments Estate, the Trustees of the Alfred Felton Estate, William Heath Estate, Henry Gyles Turner Estate, E. G. Batchelder Estate, T. J. Sumner Estate, Thomas Baker (Kodak), Alice Baker and Eleanor Shaw Benefactions, David Syme Charitable Trust, Walter & Eliza Hall Trust, J. R. MacPherson Trust, H. V. McKay Charitable Trust, James Richardson Trust and the Percy Baxter Charitable Trust.

Donations are gratefully acknowledged from the Business Men's Committee of the Queen Elizabeth Hospital, "The Queen Elizabeth Hospital Surrey Hills Auxiliary," "The Bing Boys and their Friends," "The Pups," Pro Vita Products Pty. Ltd., Kraft Foods Ltd., General Milk Co., Australian Bank Officials' Association (Victoria), Commonwealth Bank Note Printing Branch Welfare Fund, J. Murray More Pty. Ltd., Joe White Maltings Ltd., Shell Co. of Australia Ltd., Vacuum Oil Co. Pty. Ltd., Royal Insurance Co. Staff Benevolent Fund, Chesebrough Ponds International Ltd., Gregory Steel Products Pty. Ltd., Robison Bros. & Co. Pty. Ltd., Mesdames Breen, Calder, Gardiner, Kernot, Leitchfield, McCutcheon, Noall, Wood, Williams, Ryan; Misses Allen, Strachan and Lummis; Mr. W. V. Anderson and Dr. C. Officer.

Donations received through the Lord Mayor's Fund were as follows, and are gratefully acknowledged: City of Box Hill, Brockhoff's Biscuits Pty. Ltd., Carlton & United Breweries Ltd., Commercial Travellers' Association, G. J. Coles & Co. Ltd. and Staff, Gippsland & Northern Co-operative Co. Ltd., Michaelis, Hallenstein Co. Pty. Ltd., Nycander & Co. Pty. Ltd., Cr. A. J. G. Sinclair, J.P., Mr. and Mrs. L. E. P. Moran.

The following Municipal Councils are sincerely thanked for their contributions: Caulfield, Collingwood, Colac, Corio, Dandenong, Goulburn, Moorabbin, Port Melbourne, Sandringham, South Melbourne and St. Kilda.

Donations in appreciation of "Mothercraft Lectures" are acknowledged as follows: Box Hill Girls' Technical School, "Fin-

tona" Girls' School, Preston Girls' School, "Stratherne" Presbyterian Girls' School, St. Michael's C. of E. Girls' Grammar School.

The Council appreciates donations received towards the Queen Elizabeth Hospital for Mothers and Babies, from Baby Health Centre Committees at Emerald, Euroa, Hawthorn, Lang Lang, Sandringham, and from Mothers of Doncaster, Warrandyte and Templestowe Baby Health Centres (per Sister Houghton). Committees of Camberwell and Malvern Centres are thanked for their donations to the V.B.H.C.A. Magazine Fund, and Croydon Baby Health Centre Committee for donation to General Funds of the Association.

Country Women's Association branches at Heidelberg, Murrayville, Ouyen and Patchewollock are thanked for donations towards the Travelling Baby Health Centre Service in the Upper Mallee of Victoria.

### CONCLUSION

The Council records its thanks to the Sisters of the Association for their loyal and devoted service which means so much to the welfare of the mothers and babies in Victoria.

The Council expresses its thanks to the Secretary, Miss M. G. Lummis for her valuable work during the year and deeply appreciates her keen interest and loyalty to all the work of the Association—to which she gives unsparingly of her time.

The Association's work of safeguarding the health of mothers and babies and in teaching the art of good parenthood becomes ever increasingly important.

The real prevention of many of the social ills, which cause so much concern today, such as the problems of the neglected, deprived or maladjusted child, or that of juvenile delinquency itself, lies in the teaching of "good parenthood" and in home-making. In this sphere the Association has the opportunity to carry out very valuable preventive work if funds and facilities for developing its work for parents, and the teachers of parents, is forthcoming.

**It is much less costly to prevent than to have to cure.**

M. V. ANDERSON, President.

DORIS L. OFFICER, Hon. Secretary.
