1. Introduction

QEC is proud to be Victoria’s largest provider of residential and community-based early parenting services.

Formed in 1917, QEC is also a public hospital and community service organisation. We are passionate about supporting families to grow, parents to blossom and children to thrive.

QEC delivers a variety of services and support programs to families with young children (aged from newborn to 4 years of age) in partnership with government and not for profit partners.

QEC promotes the safety, wellbeing and inclusion of all children. Many families experience various challenges that, from time to time, may impact on their ability to nurture and support the growth and development of their young children. QEC offers a community of support to families if and when we are needed.

QEC programs are research-informed and tailored to meet the unique needs of each family. Our work equips families to best nurture, protect and enhance their children’s safety, health and development.

QEC’s multidisciplinary team of experienced professionals are committed to partnering with families to achieve the best outcomes for children. Our team includes Maternal and Child Health, Paediatric, Mental Health and General Nurses, a Medical Practitioner, Midwives, Psychologists, Social Workers, and Early Parenting Practitioners.

With service locations based at Noble Park, Mentone, Wodonga, Preston, Dandenong, Dandenong South, Morwell and Bairnsdale, QEC are committed to providing services that are accessible to families across Victoria.

We acknowledge all Aboriginal and Torres Strait Islander peoples as the traditional owners of the lands on which we walk, live and raise our children. We pay our respects to traditional owners past, present and future and acknowledge the importance of children being raised with connections to culture, community and family.

2. Position Profile

Position Objective

The Clinical Coordinator is responsible for leading and supporting a small multidisciplinary QEC team to deliver high quality care and support for children and families engaged in home based and community programs.

The Clinical Coordinator works competently within their scope of practice to deliver and lead safe, evidence informed, person-centred care to achieve optimal outcomes for all children. The Clinical Coordinator will work collaboratively with Community Early Parenting Practitioners to provide exceptional service delivery to families experiencing vulnerability in line with QEC’s Model of Care and Practice Framework. The Clinical Coordinator is also responsible for role modelling, and mentoring QEC clinicians in Community Early Parenting Practitioner and Associate Clinical Coordinator roles as well as contributing to a positive and supportive team culture.

3. QEC Programs

QEC provide a variety of programs to families across Victoria, from our Residential and Community Sites.

Parenting Assessment and Skill Development Service (PASDS) residential

PASDS is provided to families with children aged under 4 years at high risk of harm, who are referred by the DFFH Child Protection service. The program is operated in accordance with specific protocols that provide a framework for assessment of parenting capacity, and planned interventions to support and develop parenting skills. A residential program (based at the Noble Park Site) will run for 10 days.

PASDS home based

A community-based program run in the home and is based on hours of service deliver that a family requires to meet their circumstances, as per paragraph above. Location of Community Based PASDS Services:

- Southern Region program (operates from QEC Dandenong South site)
- North and West Region program (operates QEC from Preston site)
- Gippsland Region program (operates from QEC Morwell and Bairnsdale sites)
- Hume Region program (operates from QEC Wodonga site)

Residential Program

The Residential Program offers an intensive style of support and care for families who are experiencing a range of difficulties with their young children aged from birth until prior to turning 4 years of age. The residential stay can be 2 night/ 4 nights or 4-night telehealth. Families are provided with practical support, education and advice whilst staying at QEC.

Individual Child and Family Support Programs

The Individual Family and Child Support Programs provide families with home-based parenting support for fixed periods: 10 hours, 40 hours or 110 hours.

Location of Individual Family and Child Support Programs:

- Gippsland Region program (operates from QEC Morwell)
- Hume Region program (operates from QEC Wodonga site)

Parenting Plus

Parenting Plus is a flexible home-based program, providing parenting support and coaching to families with children aged under 4 years. The program delivers early intervention to families experiencing sleep and settling difficulties and those with significant parenting challenges.

Location of Parenting Plus Services:

- Southern Region program (operates from QEC Dandenong South site)

**Day Stay, Play Steps, Assessment and Intake**

The Day Stay program offers families with young children aged from birth until prior to turning 4 years of age, support and education to deal with sleep and settling issues. Offered as full day admission

The Play Steps program is an evidence-based program facilitated in a group setting. Focussing on parent child relationship. Play steps is run for in 8-week cycles.

Specialised Interventions - Stronger Families

Specialised Interventions - Stronger Families is an intensive home visiting program targeting families with children under 4 years of age families referred to this program are enrolled in a family preservation and unification response program with QEC or a partner agency.

Location of Specialist Interventions - Stronger Families:

- Southern Region program (operates from QEC Dandenong South site)
- North and West Region program (operates QEC from Preston site)
- Gippsland Region program (operates from QEC Morwell and Bairnsdale sits)

Family Preservation and Reunification Response (FPRR)

FPRR is an intensive 240-hour home visiting program targeting families with children involved with the Child Protection system, from birth to 5 years of age (including children subject to an unborn report).

The FPRR model is an integrated and evidence-informed approach supporting children and families in partnership with Child Protection to: Keep children safely at home, prevent children and young people entering care services and support children and young people currently in care to safely reunify with their family.

4. Key Accountabilities

Position Objectives

1. Effectively coordinates and implements the Home Based QEC program, including but not limited to:
 - Reviewing referrals for eligibility; pre-admission interviews; discharge planning; and referrals to ongoing supports where required;
